

Qi Norfolk

Qi Norfolk - Feng Shui consultants can help individuals with the orientation, layout and decoration of their commercial spaces and residential homes. Consultants could also help with exterior or interior areas or structural applications. For example, he or she may be responsible for just the cosmetic dressing and design of an interior space. Then again, if a Feng Shui consultant is brought in to give suggestion during an early planning phase of a project, she or he could provide input concerning the structural elements of the area or the building.

Feng Shui is most normally performed within office and home places. In the past, this art was most usually performed buildings of importance like palaces and places of worship. In the 1960s Feng Shui became common in the West. Numerous books have been written since then and published in English as well as different languages. Several Westerners who have studied Feng Shui have gone on to become consultants.

There are some specific schools which provide Feng Shui courses. So as to become a Feng Shui consultant, it is essential to dedicate intense research time to totally understand the practice. Feng Shui is based on knowledge of qi, that is also known as "chi." Qi is usually defined as the flow of energy which is linked to all living things. The practice also relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant must also be familiar with the different symbols related to practice as well as understanding a great deal regarding qi.

Typically, in the West, Feng Shui is normally practiced inside private residences. Even though there are various professional areas which are built or dressed according to the principles of Feng Shui, they are uncommon. Even if the space in general has not been organized to the principles of Feng Shui, it is possible to integrate elements into personal work areas. When incorporating Feng Shui into designing and dressing a bigger area, it might be wise to consult a Feng Shui consultant, even though it is possible to finish smaller projects on one's own.

Various Internet sites provide lots of good information concerning Feng Shui histories and its principles. Information on these web sites will consist of information concerning the schools offering courses in addition to general knowledge of Feng Shui. Some of these web sites also offer contact information for people in search of a Feng Shui consultant.
